

Parent Child Program – Join Today!

You'll be glad you did!

The Algonquin Longhouse of the Native Sons & Daughters provides opportunities throughout the school year for Dads & Daughters, Dads & Sons, Moms & Daughters and Moms & Sons to spend time together. Monthly meetings and special events focus on activities to strengthen the parent child bond.

The foundation of this program has been around for 75 years. Our theme is focused on the magic of the Native American heritage and culture and is supported and endorsed by the founding families of the Indian Guides and Indian Princess programs.

The Algonquin Longhouse is non-profit group of over 2000 parents and children in the Northwest Suburbs and is affiliated with a nationally franchised program called Native Sons and Daughters.

Share memories that will last Forever!

You and your son or daughter will have fun together throughout the year at:
**Campouts • Skating • Holiday Parties • Museum Sleepovers • Bowling • Sporting Events
 Pinewood Derby • And Much More**

Many consider campouts the highlight of the program. Each group has three campouts per year. Campouts offer many special activities such as campfires, horseback riding, wall climbing, scavenger hunts, carnivals, archery and a whole lot of fun!

Museum Sleepovers are very popular. Come join us as we stay overnight at one of Chicago's many museums. We see it all without long wait times or large crowds!
